

Call for Applications for ERASMUS+ Students Mobility

Background

The University of Energy and Natural Resources ([UENR](#)), Sunyani is a partner on the Erasmus+ KA171 programme, hosted by the University of Jaén (UJA) in Spain. The Erasmus+ KA171 Programme supports mobility (for both students and staff between UJA and UENR (and other universities)).

[UJA](#) is a young (founded in 1993) and dynamic institution located in the province of Jaén, Andalusia in Spain. UJA is structured in two modern campuses (Las Lagunillas Campus, in Jaén, and Linares Scientific and Technological Campus, in Linares) equipped with advanced facilities and resources at the service of students and teaching staff. The UJA university community is made up of nearly 18,000 people, being one of the most internationalised Spanish universities, welcoming around 2,500 international students each year (both mobility and degree-seeking students). UJA offers programmes partly or fully taught in English, as well as a wide range of other subjects in English language. For years, UJA has occupied a prestigious position in the top 5 Spanish universities with the highest funding in the Erasmus+ international Credit Mobility programme.
